

Paul G Scholarship Application

Your Info:

Paul Goguen was a gifted musician who expressed himself beautifully and creatively through his art. He attended the Collective Sound Summer Music Camp in 2008 and the experience was one of the highlights of his life. Paul lived with intensity and passion for what is truly important. With his playfulness and sincerity he connected deeply with others and his humor often exposed how ridiculous the world can be. Paul looked at life in his own unique way and questioned everything. He was intolerant of things that were trivial, pretentious or cruel. Paul's life calls on us to be more authentic and caring and, though he left this world on 10/3/08, he continues to be an inspiration.

The Paul Goguen Scholarship fund has been established to assist talented young artists wishing to attend the Collective Sound Summer Music Camp but in need of financial assistance to do so.
